

REMARKS (ELECTION)

This is in response to the requirement for restriction or election.

In response to the Examiner's requirement, applicant through his attorney, hereby elects Species I, Claims 1 - 5 of Figures 1 - 18, drawn to a precision polymer film casting and injection system, classified in class 53, subclass 560. Such election is made with traverse. It is deemed that a complete search, examination and office action on the elected embodiment would require a complete search; examination and office action of the other embodiments. As such, it is urged that no additional burden would be placed on the Examiner by withdrawing the requirement to elect and issuing an office action on all of the embodiments of the instant application.

Withdrawal of the Examiner's requirement for election/restriction, favorable reconsideration and a Notice of Allowance are hereby requested.

Respectfully submitted,

A handwritten signature in dark ink, appearing to read 'Ed. Dutkiewicz', is written over the typed name.
